Password

[Forgot my password](#)

Sign in

@southstatetech.com

Enter code

 Enter the code displayed in the authenticator app on your mobile device

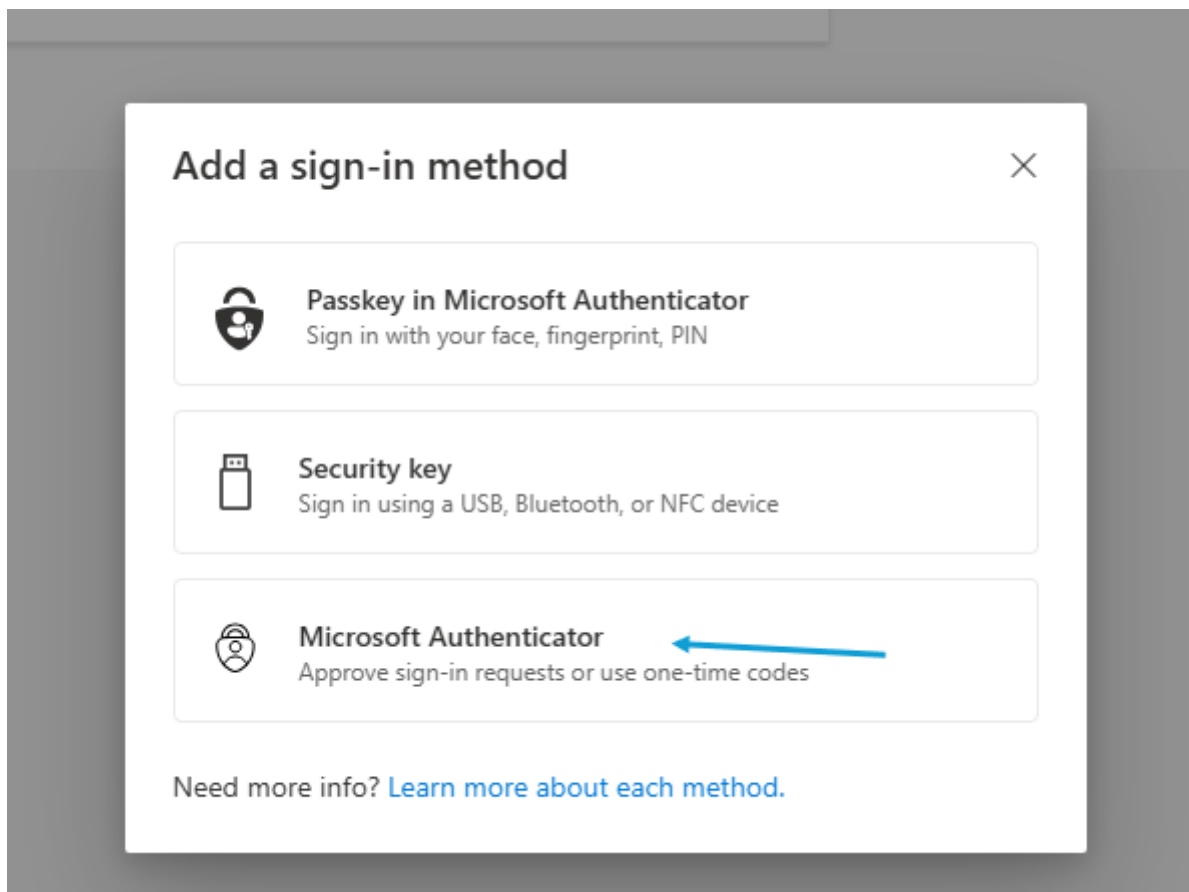

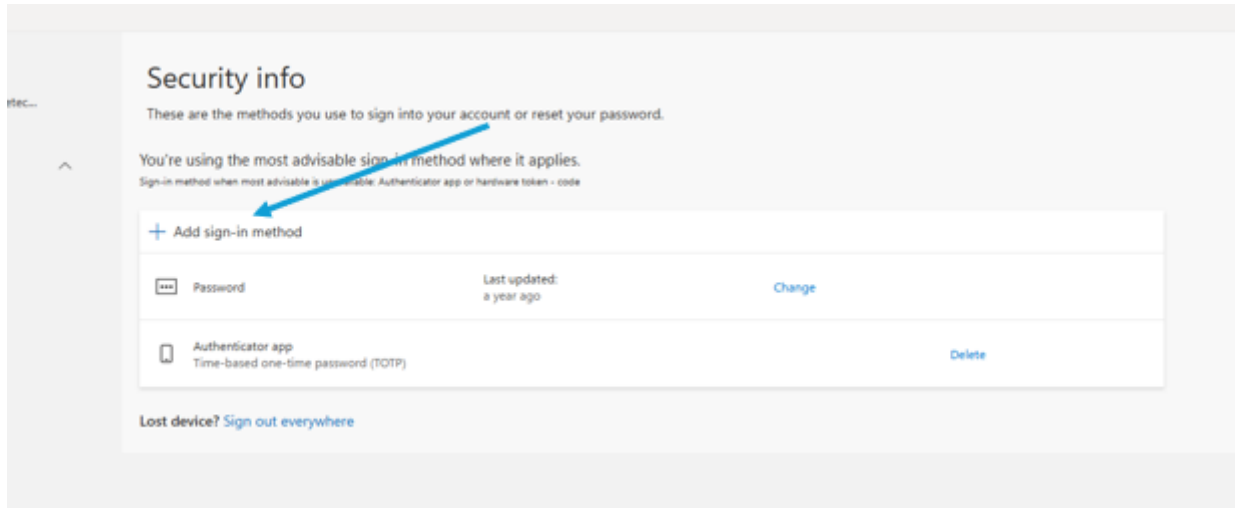

Code

[More information](#)

Step 2

On the Security Info page, click 'Add sign-in method', and then 'Microsoft Authenticator'

Step 3

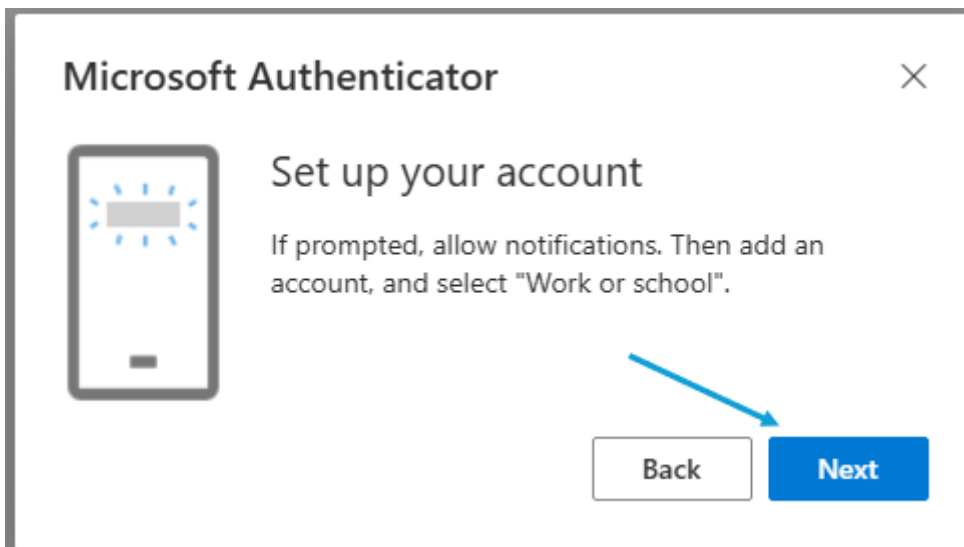

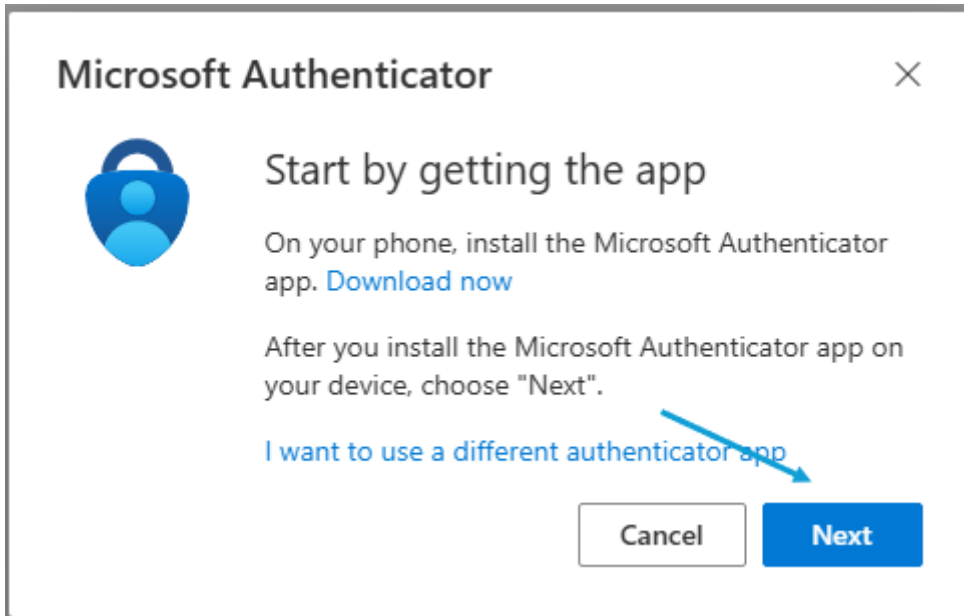

Download the Microsoft Authenticator

For iOS iPhone and Android:

<https://kb.southstatetech.com/books/microsoft-authenticator>

Step 4

Scan the QR code with the Microsoft Authenticator

On the Authenticator App:

Skip

Secure Your Digital Life

Sign in with Microsoft

When you are signed in with Microsoft, all stored passwords, address, and other autofill info will be available on this device.

Add work or school account

Scan a QR code

Restore from backup

Microsoft Authenticator

Scan the QR code

Use the Microsoft Authenticator app to scan the QR code. This will connect the Microsoft Authenticator app with your account.

After you scan the QR code, choose "Next".
